

CANCELLATION

-16TH INTERNATIONAL SYMPOSIUM ON AQUATIC PLANTS

Dear participants for the 16th International Symposium on Aquatic Plants,

Due to the Covid-19, we have now decided to postpone the conference to 14th-18th June 2021.

We are very sorry for any inconvenience this may cause you, but in this extraordinary situation, we think it is the best option. No one knows when the situation will return to normal around the world.

For those of you who have submitted an abstract, we suggest that you keep your abstract for use in 2021. However, we will make a new call for abstracts within the same sessions next year.

For those of you who have registered – your registration fee will be refunded. You will be contacted by Sissel Rønning.

We are so sorry to cancel, but we hope to see you all at a fantastic conference in Aarhus in June 2021 – when the world has returned to normal.

Take care

On behalf of the organizing committee,

Tenna Riis and Lars Båstrup-Spohr
