The processing time for a visa varies depending on the country. Therefore it is advisable that the visa application process be initiated as early as possible. We advise you to contact your local authorities for more information on the actual time required to process a visa application.

For the application, in addition to the other required documentation, you will also need an invitation letter from Aarhus University. Aarhus University will be happy to provide you with an invitation letter. Please contact [Sissel Rønning](#) from the Local Organizing Committee for further information.
